ATTACKS & SPELLCASTING

Thinking is for other people. I prefer action.

PERSONALITY TRAITS

Destiny. Nothing and no one can steer me away from my higher calling.

IDEALS

My tools are symbols of my past life, and i carry them so that i will never forget my roots.

BONDS

I'm convinced of the significance of my destiny, and blind to my shortcomings and the risk of failure.

FLAWS

Druidic: You know Druidic. You can speak the language and use it to leave hidden messages. You and others who know this language automatically spot such a message. Others spot the message's presence with a successful DC 15 Wisdom (Perception) check but can't decipher it without magic.

Ritual casting: You can cast a druid spell as a ritual if that spell has the ritual tag and you have the spell prepared.

spellcasting focus: You can use a druidic focus (see the Adventuring Gear section) as a spellcasting focus for your druid spells.

Rustic Hospitality: Since you come from the ranks of the common folk, you fit in among them with ease. You can find a place to hide, rest, or recuperate among other commoners, unless you have shown yourself to be a danger to them. They will shield you from the law or anyone else searching for you, though they will not risk their lives for you.

Darkvision : can see clearly in the dark or dim lights for a distance of 60 ft, only in grey shades, no color

Fey ancestry: You have advantage on saving throws against being charmed, and magic can't put you to sleep.

Trance: Elves don't need to sleep. Instead, they meditate deeply, remaining semiconscious, for 4 hours a day. After resting in this way, you gain the same benefit that a human does from 8 hours of sleep.

Mask of the wild: You can attempt to hide even when you are only lightly obscured by foliage, heavy rain, falling snow, mist, and other natural phenomena.

Druids don't wear armor or use shields of metal
